Mr. Dennis Fusaro

Dear Dennis:

Thank you for your recent communication regarding efforts to establish a formal, public platform plank or position in support of Second Amendment Rights by the Republican Party of Virginia (RPV).

I support your efforts wholeheartedly, including a general statement in support of the right to keep and bear arms, as well as a position statement calling for the repeal of the ban on self-defense in National Parks in Virginia.

It is unacceptable that our opponents, the Democratic Party of Virginia, maintains a clear policy position in support of Second Amendment Rights, while we, the RPV does not. If we are truly to be the Party of freedom and liberty, we must recognize the fundamental right to defend oneself – if not as a right guaranteed by Providence, then certainly a right guaranteed by our U.S. Constitution.

Sincerely,
